□□□□

- Explore both the European and Asian sides of Istanbul in one day
- Visit iconic landmarks including mosques palaces and panoramic viewpoints
- Enjoy a Bosphorus cruise experience between two continents

□□

The Istanbul Tour Asia Europe Bosphorus is a full-day experience designed for travelers who want to see the city's most important highlights in a short time. This tour combines history, culture, and scenic views, covering both the European and Asian sides of Istanbul.

During the day, you will visit some of the city's most famous landmarks, including historic mosques, palaces, and panoramic viewpoints. You will have the opportunity to explore Istanbul's rich heritage while learning about its past and present from your guide.

One of the key parts of the tour is the Bosphorus cruise, where you will sail between two continents and see Istanbul from the water. Along the way, you can admire landmarks such as the Bosphorus Bridge, Dolmabahçe Palace, Ortakoy Mosque, and waterfront mansions.

During the cruise, a breakfast plate is served on board, allowing you to enjoy light refreshments while taking in the views. Later in the day, the program also includes a lunch break, giving you time to relax and continue the experience comfortably.

The tour also includes a visit to the Asian side of Istanbul, offering a different perspective of the city. You will have time to enjoy the atmosphere, take photos, and experience local neighborhoods beyond the main tourist areas.

This experience is ideal for first-time visitors who want a complete overview of Istanbul in one day, combining land visits, a scenic cruise, and meal breaks throughout the day.
