The Bosphorus Breakfast Cruise Istanbul offers a calm and enjoyable way to start your day in the city. This experience combines a scenic boat ride, a light Turkish breakfast, and a short stop on the Asian side, allowing you to see Istanbul from a different perspective.

Your morning begins with a hotel pick-up and transfer to the pier, where you will board a double-deck boat. As the cruise begins, you will sail along the Bosphorus, moving between the European and Asian shores while enjoying soft background music and open views of the city.

During the 2-hour cruise, you will pass some of Istanbul's most iconic landmarks, including Dolmabahce Palace, Ciragan Palace, Topkapi Palace, Maiden's Tower, Rumeli Fortress, Bosphorus bridges, Ortakoy Mosque, and the elegant waterfront districts such as Bebek and Arnavutkoy.

While enjoying the scenery, a traditional Turkish breakfast will be served on board. The breakfast includes eggs, fresh vegetables, cheese, olives, pastries, and stuffed flatbread, offering a simple but satisfying start to the day.

The program also includes a 1-hour stop on the Asian side near Beylerbeyi Palace. During this time, you can walk along the seaside, relax, or visit local shops selling souvenirs and sweets.

This is a panoramic cruise experience, designed for relaxation rather than a detailed guided tour, making it ideal for travelers who want to enjoy the Bosphorus in a peaceful and comfortable way.
