This Afternoon Bosphorus Cruise with Lunch offers a well-balanced daytime experience, combining a scenic boat ride with a traditional meal while sailing between Europe and Asia.

After hotel pick-up, you will board the boat and begin cruising along the Bosphorus Strait, one of the most important natural waterways in Istanbul. The route follows both the European and Asian shores, passing landmarks such as Dolmabahce Palace, Ortakoy Mosque, the Bosphorus Bridge, and historic waterfront mansions.

During the cruise, a traditional Turkish lunch is served on board. The meal is simple and timed naturally within the program, allowing you to continue enjoying the views without interruption.

Throughout the experience, the focus remains on a calm and steady pace, giving you time to move around the boat, take photos, and enjoy the atmosphere of the Bosphorus during daylight hours.

At the end of the program, guests are transferred back to their hotels.
